

"Do not neglect to show hospitality to strangers, for thereby some have entertained angels unawares."

- Hebrews 13:2 (ESV)

"When a stranger sojourns with you in your land, you shall not do him wrong. You shall treat the stranger who sojourns with you as the native among you and you shall love him as yourself, for you were strangers in the land of Egypt: I am the Lord your God."
- Leviticus 19:33-34 (ESV)

WHY STORYTELLING?

Storytelling is a powerful way to connect with someone. When you hear someone else's story, you are easily able to connect with their heart; it is a non-confrontational, powerful way to break down walls, break down stereotypes, and overcome our defenses and our differences. We can step out of our own shoes, see differently, and increase our empathy and compassion for others.

When you hear and read these stories from our friends and neighbors from the Latino community, you will be able to connect and understand their struggle of what it's like to be an immigrant living in the United States.
